

My name is Jolene and I am an alcoholic. I am honored being elected as DCMC for District 11, and look forward to working with everyone one. Since our last meeting, I have worked with the DCM workshop committee members on planning.

The Alt Delegate for Area 69 asked me to participate at a district twelve committee meeting this was a great experience. We asked District twelve to help us co-host the Pre Assembly in April of 2019, they have accepted. I provided there representative with our meeting information and I hope they attend this month.

I am looking forward to the Post Conference Assembly in Ogden, on May 19<sup>th</sup> -21<sup>st</sup>. I enjoy spending time with everyone I have met through the years I have been in service. I can go to j meeting in Area 69 and see a familiar face.

I am so grateful for the program of Alcoholics anonymous and service.

Thank you Jolene
