Greetings Everyone!

This past month has been one with a lot of activity in the South portion of District 11.

One reason is the decision of Area 69 to give the old audio recording equipment to one of the Districts in Utah.

This item has reaped many benefits as I have challenged all GSR's in the Southern portion of the District to e-mail their desire for the equipment to the area secretary and to be available for a vote at the Post Assembly Conference in a couple weeks. This will be a GREAT opportunity to get the GSR's and maybe their sponsee's to the meeting in Ogden.

This activity has also produced a new GSR . His name is Brad Jaques.

I have been visiting the various groups on a regular basis and they all seem to be moving in a positive direction.

I am honored to SERVE as the DCM of the South in District 11.

Best regards,

Chris Atkins
