

Fellow Servants,

You can now register online for the National Bridging the Gap Workshop that is being held at the Best Western Landmark in Park City, Utah. This is the 25th Annual National Bridging the Gap Workshop being held September 11 – 13, 2015.

Bringing the National Bridging the Gap Workshop to Utah allows more of our Utah servants to listen to speakers from the General Service Office, other BTG servants from around the United States and Canada and from right here in Utah. The 25th Annual National BTG Workshop is intended to meet with and share ideas with fellow servants doing their part in carrying the message of Alcoholics Anonymous to prospects from Treatment and Correctional facilities.

We are fortunate to have this annual event being held so close to our servants in Utah. We normally only have one or two servants able to attend this event. Our Utah servants can benefit greatly this year by taking advantage of this opportunity. Come join us as we share our experiences and gather new ideas from BTG servants from all over. This is a great way to catch fire on Bridging the Gap.

It is now easier than ever to Register ... go online to WWW.BTGWW.ORG and git `er done. Online registration uses Paypal and there is a fee involved. You can still Register by mail by downloading the registration form or picking one up from your GSR, DCM, or Central Office and mailing your form to the National Bridging the Gap chairperson (address provided on the form).

Rooms are still available at the Best Western Landmark at the event rate of \$79 single, \$89 double. Be sure to mention National Bridge the Gap Workshop so we will get credit for the event.

For questions, participation or contributions towards our hospitality room – please contact a member of the host committee.
